Re: N.½ 15-27-2-W4

This Department has an old account against the above noted land for advances of relief, fodder and seed grain to George Dittman in 1915 and 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Mr. G.E.B. Sinclair,

Re: Account of George Dittman
[illegible]

The matter of an application for an adjustment of indebtedness [illegible] has been referred by you, together with [illegible] cases, [illegible] to report as follows:

In 1915 and 1919 seed grain, fodder and relief amounting to $406.05 was advanced to George Dittman on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 406.05	$ 800.97	$ 1,207.02

Patent was issued in the name of George Dittman for the N.E. 15-[illegible]-W4 on the 27th of September 1916 subject to the [illegible] liens.

The N.W. 15-27-2-W4 was formerly the pre-emption entry of the debtor on which security he obtained an advance of seed grain in 1919. His entry was cancelled on the 24th of June 1926 and is still unalienated Crown land held in the right of the Province.

In reply to our [illegible] dated [illegible] concerning the N.½ 15-27-[illegible] - 4 of the 5th of May 1932, J.T. Todrick, Supervisor, Special [illegible], Province of Alberta, writes as follows:

"The NW¼ of this parcel is unalienated crown land while title to the NE¼ is presently vested in the Department having been acquired through proceedings under the Tax Recovery Act. This half section covered at present by a long term grazing lease is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it is unlikely to ever be utilized for any purpose other than grazing, it is recommended that the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.

Dear Sir,-

Re North East quarter of Section 28,

The Local Agent of Dominion Lands here advises me that on the 31st March last he sent you a doctor's certificate showing that Private W. Mackintosh, who entered for the above-described land prior to leaving with his battalion for overseas, would be unable to complete the homestead duties on account of sickness contracted while serving in the Overseas Military Forces of Canada.

I enclose Certificate of Death of Mr Mackintosh who died in the Strathcona Military hospital on the 21st June last. Anything you can do to hasten the issue of Patent in this matter would be greatly appreciated by Mrs Mackintosh the widow of the deceased on whose behalf this letter is written.

If you would be good enough to reply to this letter advising me of anything further it may be necessary to have done in the premises I would be obliged,

Yours truly,

Re: S. E. ¼ 2-21-2-4th M.

I beg to inform you that the Agent of Dominion Lands at Calgary has furnished this Department with a Homestead Inspector's report in connection with your Homestead above described, from which it is noted that you have not performed any residence on your Homestead and that there is only an amount of ten acres broken. He also reports that on your return from overseas in 1919 you went to the United States.

Before taking any final action on the cancellation proceedings it has been decided to advise you just exactly what will be required before you will be in a position to make application for Letters Patent for the land. If it is your intention to perform these duties it is expected that you will advise this Department within a period of thirty days from this date, failing which you will leave your entry liable to cancellation without further notice to you.

In view of your military service from the 20th of May 1918 to the 1st of June 1919, you will only be required to perform one period of six months residence in connection with your Homestead. The cultivation duties will be the breaking of the equivalent in cost of thirty acres of ordinary prairie land, a reasonable proportion of which has been prepared for crop.

If you show good faith this Department is desirous of giving you an opportunity of performing the above described duties, but as above stated, the cancellation proceedings cannot be carried on indefinitely, and a statement as to your intentions will be expected within the time allowed you.

Assistant Secretary.

Dear Sir:

Re: S.W. 25-31-2-W.4th.

This Department has an old account against the above noted land for advances of relief to Herman J. Laframboise in 1915. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

Re: Account of Norman J. Laframboise
S.E. 21-71-6-W4

The matter of the application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to $20.00 was advanced to Norman J. Laframboise on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 20.00	$ 36.00	$ 56.00

The S.E. 21-71-6-W4 was formerly the homestead entry of the debtor on which security he obtained an advance of relief in 1915. His entry was cancelled on the 4th of April 1923 and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 27th of June 1952, J.H. Fedriek, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

Sir,

Re S.E.¼ 15-16-3-W. 4th M.
Pre-emption - Alphonse Maisonneuve,
(deceased).

You appear to be the administrator of the estate of the late Alphonse Maisonneuve, which includes the above described quarter section which he held under pre-emption entry. You have applied for patent for this land but you have failed to complete the payment of the purchase price.

As cancellation proceedings are outstanding against the entry, I would impress upon you the necessity of furnishing the Agent of Dominion Lands at Lethbridge with a satisfactory statement as to what your intentions are, as administrator of the estate, of completing the payment of the amount due to the Department on account of the purchase price. You will be allowed until the 1st April next within which to do so and I might warn you that should this official not hear from you, it will be assumed that it is not your intention to pay for the land in order that patent may issue and the question of cancelling the entry will require to be considered.

The amount owing on account of the purchase price is $456.00, to which the interest to the 1st November last amounted to $237.93. To the principal must be added further interest from the 1st November last to the date of payment at seven per cent.

Your obedient servant,

Secretary.

MEMORANDUM.

Mr. Hume:

S.E.¼ 15-16-7-W.4th M.
Pre-emption - Alphonse Maisonneuve (deceased).
Obtained entry 13th September, 1912.
Cancellation proceedings outstanding.

Letters of Administration were filed in favour of the Administrator, Alphonse Maisonneuve, also a Notarial copy of Power of Attorney from Alphonse Maisonneuve to Ernest Maisonneuve.

Ernest Maisonneuve made application for patent on the 16th September, 1919, and executed a supplementary statement on the 19th July, 1920.

A Certificate of Recommendation issued which expired on the 7th April, 1922.

On the 16th May, 1924, Inspector Bowyer stated:-

Improvements

On homestead - house and stable, $800.00.
On pre-emption - fencing, $150.00.

General remarks

"I beg to report Mathew
"Maisonneuve, brother of the deceased, is
"living on and farming the place.
"father who lives in Quebec owns the home-
"stead and is reported to be in good
"financial circumstances and intends to
"patent and pay for the pre-emption in the
"near future. 7 acres will be seeded on
"the pre-emption."

With interest to the 1st November, 1925, the pre-emption indebtedness amounted to $193.92.

On the 11th November, 1925, Inspector Bowyer stated:-

"I beg to report that the
"above entry vested the land June,

"1924 and is now located in the Province
"of Quebec. The land is rough and broken
"and unfit for agricultural purposes or stock
"homestead and is situated in a district un-
"fit for farming. I would recommend can-
"cellation and the land listed as grazing land
"only."

Cancellation proceedings were then instituted on the 7th December last for failure to pay.

W. A. Begg, Barrister, of Medicine Hat, on the 8th December last, stated they had no instructions in connection with this estate for five years but forwarded notice of the institution of cancellation proceedings to the Administrator, Alphonse Maisonneuve, at Clarence Creek, Ontario. The Cancellation proceedings were then held over until the 1st April last.

On the 18th January last the Administrator was advised that he would be allowed until the 1st April last within which to state his intentions of paying for this pre-emption. He was again reminded on the 16th April last of the necessity of giving this matter his attention.

No defence has been filed and an Abstract of Title shows no registrations against the land.

In view of the foregoing would recommend a final notice of thirty days within which to either make a substantial payment or show good reason why a further extension of time should be allowed.

Ans. The lack of Means is my main reason in Asking for this Extension, also would like you to note the distance this Homestead is from Edmonton. Also the Difficulty in travelling + Cost I should have in getting my family up there. Made the trip last Spring, + Am sure that will be the Country, without a Doubt. but will be utterly unprepared at the End of October to undertake the journey. Hoping you will give me, if it is not asking too much, All the time you can.

Enquiry re soldier's grant:

Robert Stuart Gilmore:

Soldier's grant, S.E. ¼ 10-[illegible]-[illegible] 4th.
Entered Gilmore, Lot.

I beg to acknowledge receipt of a letter on
soldier's grant, entered on [illegible] 1910, by R. S.
Gilmore, for S.E. 10-[illegible]-[illegible] 4th, which has been this day registered
in favour of soldier's grant, the S. E. ¼ 10-[illegible]-[illegible] 4th.

In connection with this, it must be pointed
out that in July last two cautions, of Jas. O. and Wm.
respectively, were registered in this office against the
S. E. ¼ 10-[illegible]-[illegible] 4th, in this same gentleman. It would
appear that these latter mentioned cautions were registered
in error, as this latter land is the property [illegible]
according to the records, of R. S. Gilmore. I have,
accordingly, cancelled the Jas. O. and Wm. [illegible] cautions
against the S. E. ¼ 10-[illegible]-[illegible] 4th, which is in favour of
Robt. Stuart Gilmore. It is presumed that
the soldier's grant will be completed [illegible]
the S. E. ¼ 10 duly registered. [illegible]

In further reference to my letter to you of the 31st January last, and your replies of the 10th and 23rd March, in which you enclosed a letter from Conrad Glaum, also copy of a letter from Messrs. Randall, Gee & Mitchell,

It is noted that Randall, Gee & Mitchell state that Conrad Glaum was apparently buyer for W. C. Stewart & Company, Ltd. Alsh. That being the case, it would appear that Stewart & Company are responsible for the actions of their servants. As you have in your possession a copy of the receipt issued by Glaum, which I enclosed in my letter to you of the 31st March, I would suggest that you take this matter up with the W. C. Soldier Grant - Arthur Cook,
Entry granted - 5th June, 1919.

Application to have title for these lands vested in the Soldier Settlement Board under the provisions of Section 27 of the Soldier Settlement Act, 1919.

This entrant obtained a loan from the Soldier Settlement Board on the security of the above land and the Board now reports that after residing on the land until the fall of 1921, the settler abandoned his farming enterprise and refused to return to the land in spite of efforts made by the Board to induce him to do so. Under the circumstances, the Board was compelled to institue adjustment proceedings and the settler's Agreement was rescinded. The Board requests that the settler's right, title and interest in this land be forfeited and vested in the name of the Board. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patent for both quarter sections issued in the name of the Board.
